

Micah Johnson

Senior Web Developer · Marketing Engineering · CMS Architecture

Kennedale, TX linkedin.com/in/micahryanjohnson createsomething.io

12+ years building web properties that drive growth. I bridge the gap between Marketing and Engineering—from Webflow's Template Marketplace to landing page systems at scale. Career path through customer education and content operations means I understand what marketers need and can build the technical foundation to ship it fast.

EXPERIENCE

Founder · WORKWAY

Apr 2025 – Present

Marketing site + workflow marketplace · Next.js, Vercel, Edge Functions

- **Built high-performance marketing site** with Next.js App Router on Vercel edge network
- **Implemented SEO and Core Web Vitals optimization** achieving sub-second load times
- **Integrated AI/LLM capabilities** for personalized user experiences and content automation

System Architect · Webflow

Dec 2024 – Present

Marketplace Team · CMS Architecture · Marketing Analytics

- **Architect content operations at scale**—CMS models powering marketplace with thousands of templates
- **Built marketing analytics infrastructure** with Segment, Amplitude, and Census for conversion optimization
- **Design scalable systems** enabling marketing team to ship campaigns independently

Marketplace Operations Manager · Webflow

Jul 2023 – Dec 2024

- **Managed Template Marketplace content operations**—quality standards for designer community
- **Built Marketplace Dashboard** integrating CMS data for campaign and content management
- **Enabled high-velocity content shipping** without constant developer intervention

On-Screen Educator · Webflow

Mar 2020 – Apr 2021

- **Created video tutorials and educational content** for Webflow University—design, CMS, e-commerce
- **Launched Webflow University 2.0**—comprehensive learning platform driving user acquisition
- **Cross-functional collaboration** with product, marketing, and customer teams

Customer Support Specialist & Team Manager · Webflow

Feb 2018 – Mar 2020

- **Led support team**—hiring, performance goals, service quality for marketing/growth users
- **Technical troubleshooting**—CMS, SEO, performance issues across customer sites
- **Built onboarding LMS** using Webflow CMS and third-party integrations

Co-Founder, Technology · Half Dozen

Jul 2024 – Present

- **Built marketing site and platform** with Next.js, React, TypeScript on Vercel
- **Implemented A/B testing and conversion tracking** for user acquisition optimization

Webflow & API Developer · Create Something

Nov 2013 – Present

- **12+ years building marketing sites**—responsive design, CMS, e-commerce, landing pages
- **Certified Webflow Expert**—SEO, performance optimization, conversion-focused development
