

Micah Johnson

Frontend Engineer · UI/UX · Simplicity Advocate

Kennedale, TX (CST)

linkedin.com/in/micahryanjohnson

createsomething.io

12+ years building interfaces that make complex problems feel simple. UI/UX certified with strong opinions about design, copy, and user experience. Philosophy: remove everything that doesn't serve the user. I've shipped at startups, educated thousands of users, and built tools that let non-technical teams move fast.

EXPERIENCE

Founder · WORKWAY

Apr 2025 – Present

Workflow marketplace · React, TypeScript, Modern patterns

- **Built intuitive interfaces** for complex workflow configuration and management
- **Designed upload workflows** for large datasets with async processing and progress feedback
- **Implemented caching and optimistic updates** for smooth, responsive UX
- **Created reusable component library** enabling rapid feature development

System Architect · Webflow

Dec 2024 – Present

Marketplace Team · Frontend Architecture · Data Visualization

- **Architect rich interfaces** for marketplace with thousands of templates and complex filtering
- **Built custom media tools** for template preview, comparison, and configuration
- **Design UI components and patterns** that enable team to ship features quickly
- **Balance quality with speed**—refactoring as we go while meeting launch deadlines

Marketplace Operations Manager · Webflow

Jul 2023 – Dec 2024

- **Built streamlined workflows** for uploading and managing large template datasets
- **Designed dashboard interfaces** communicating just enough info while inviting deeper exploration
- **Advocated for customer experience** based on direct feedback from support and operations

On-Screen Educator · Webflow

Mar 2020 – Apr 2021

- **Created educational content** making complex web development concepts accessible
- **Launched Webflow University 2.0**—intuitive learning platform for all skill levels
- **Developed strong opinions about UX copy** through teaching thousands of users

Customer Support Specialist & Team Manager · Webflow

Feb 2018 – Mar 2020

- **Led support team**—deeply understood user pain points and interface friction
- **Advocated for customer needs** across product and engineering teams
- **Built onboarding tools** using simple, intuitive UI patterns

Co-Founder, Technology · Half Dozen

Jul 2024 – Present

- **Shipped production code at fast-growing startup**—React, TypeScript, modern patterns
- **Balanced speed with quality**—refactoring while maintaining momentum

Webflow & API Developer · Create Something

Nov 2013 – Present

- **12+ years building web applications**—responsive interfaces, data handling, UX optimization
- **Certified Webflow Expert** with deep understanding of interface patterns

EARLIER EXPERIENCE

UI Designer & Web Manager · Hunter Engineering (2016-2018)**Interactive Developer** · Maritz (2015-2016)**Digital Content Specialist** · Enterprise Holdings (2014-2015)**TECHNICAL SKILLS**

Frontend

JavaScript/TypeScript (12+ yrs), React, Next.js, Vite

UX Patterns

Caching, async updates, optimistic UI, file uploads

Testing

Vitest, Jest, React Testing Library, Playwright

Backend

Node.js, REST APIs, PostgreSQL, GraphQL

Data & Media

D3.js, Canvas, SVG, large dataset handling

Tools

Git, Figma, Vite, modern build workflows

EDUCATION & CERTIFICATION

Bachelor's Degree · Texas A&M University**UI/UX Certification** · Boulder Digital Arts
